<ul style="list-style-type: none"> ○ Proposed development of Top Field – The planning appeal for Top Field has been postponed until September/October time. This is after the hearing for Local Plan Part 2. The current target date for the Village Green Application to be heard is the 19th September. ○ Kerbside drainage – CLlr Gordon noted that where WCC grounds contractors were cutting grass verges in particular, much of the grass is left in the gutter especially in wet weather which in turn does not allow them to work efficiently, which can cause problems later in the year causing flooding. In particular, the weirs along Springvale 	CLlr Porter

road get blocked which causes ponding when they are not working efficiently. Cllr Porter is to take this matter up with WCC.

P/16/61 To discuss any issues referred from the Parish Council meeting

- Road Safety Issues in Hookpit Farm Lane / Burnett Close – Cllr Jackie Porter has requested a speed check in this area to gather data with regards to speeding.

Cllr Gordon noted that motorcycles have been reported causing a nuisance around the village, in particular around Top Field and associated roads and at Eversley Park.
- Redesign of B3047/A33 and Lovedon Lane/A33 junctions – Cllr Jackie Porter noted that the new junction works but people have commented that there is confusion as to who has the right of way. The flashing sign has also been erected in the wrong place. A safety check is to be carried out and Cllr Porter will give any comments she receives to the independent inspector.
- Parking on grass verges – Work behind the Fraser Road flats is now complete but works to flats in Hardwood Place has yet to start. Once this work is finished we can consider ‘Dragon’s Teeth’, if required.

Cllr Gordon has also suggested a proposed parking area to the rear of St Marys Church Hall, with a view to stopping inconsiderate parking in front of the Fraser Road shops when the hall is in use which does have an effect on trade, as there are no parking facilities available on such occasions. He will report back when more is heard.
